

Caprifeed Dairy is a complete blend of Enzymes, Vitamins, Herbal Extracts & medicinal earthen material for cattle & other milk producing animals. The exogenous enzymes improves digestibility in monogastric animals & vitamins improves animal growth, reproduction & FCR ratio.

Our special Anti-Tox formula is capable of binding even the most difficult mycotoxins without using any additives.

Benefits:

- Antidiarrheal formula
- Reduce stress
- Internal pH stability
- Protects from Mycotoxins
- Increase milk yield
- Growth & immunity booster
- Advanced health & growth
